

I use IDEA.

Jerry Harris

Director
Kings Court Trust Corporation
United Kingdom

“Using IDEA at both my current and previous companies has helped give a detailed view as to how well internal accounting controls are working. Ledgers are now more complete and accurate. Target acquisitions’ accounting controls were reviewed quickly and accurately. Exception reporting is now clearer and faster.”

Kings Court Trust Corporation is a top five leading provider of estate administration services, handling assets in excess of £250m per annum. Kings Court Trust Corporation routinely manages all aspects of estate administration, testate or intestate, and, with in-house legal and tax experts, deals with everything from the simplest to the most complex matters.

IDEA can read, display, analyze, manipulate, sample or extract from data files from almost any source. Lower your audit cost, add more quality to your work and meet professional standards.
